

How to submit your doodle

We're excited to see the amazing doodles for the 2024 Doodle for Google prompt, "My wish for the next 25 years". Follow these instructions to make sure your Doodle makes it into the contest.

Step 1: Print and fill out the form

Print out and complete each field on the form. To be accepted, all entries need your school info, a title and description, and most importantly, a signature from your parent/guardian.

Step 2: Add your doodle

Create your Doodle. You can create it directly on the form or on a separate sheet of paper, using any materials you want. Attach your art, or a hi-res photo, scan, or thumbnail of it with glue, clear tape, or digitally.

Alternatively, and only if you are 13 years old or older, you can submit your Doodle digitally, as a video, song, or film. If your submission includes a video or digital file, make sure to be mindful of the AV Doodle-specific requirements and additional privacy considerations in Section 12 of the Contest Rules. (For example, your video or digital file should only include you, both with respect to audio and visual content, and should not contain any content that could potentially be used to identify your private location.)

If you submit a video or digital file, you will also need to:

1. Upload the file to Google Drive
2. Share the file with the following email:
d4g2024judges@google.com
3. Add a thumbnail of the video to your submission form
4. Write the Google Drive link on your submission form,
following your artist statement

Step 3: Submit your form

Now get your masterpiece to us! The contest is open for entries until March 14, 2024 11:59 p.m. PT.

Online (Recommended): Scan/photograph your completed form and enter it at doodles.google.com/d4g/enter/. If you're submitting via photo, take a high res photo in good lighting. Note that the file format must be .png or .jpeg.
