

Google Controller-Controller Data Protection Terms

3. Application of these Controller Terms

- 3.1 **General.** These Controller Terms will only apply to the Controller Services for which the parties agreed to these Controller Terms, for example: (a) the Controller Services for which Partner clicked to accept these Controller Terms; or (b) if the Agreement incorporates these Controller Terms by reference, the Controller Services that are the subject of the Agreement.
- 3.2 **Incorporation of Additional Terms.** The Additional Terms supplement these Controller Terms.

4. Roles and Restrictions on Processing

- (a) is an independent controller of Controller Personal Data;
 - (b) will individually determine the purposes and means of its processing of Controller Personal Data; and
 - (c) will comply with the obligations applicable to it under the Applicable Data Protection Legislation regarding the processing of Controller Personal Data.
- 4.2 **Restrictions on Processing.** Section 4.1 (Independent Controllers) will not affect any restrictions on either party's rights to use or otherwise process Controller Personal Data under the Agreement.
- 4.3 **End Controllers.** Without reducing either party's obligations under these Controller Terms, each party acknowledges that: (a) the other party's Affiliates or clients may be End Controllers; and (b) the other party may act as a processor on behalf of its End Controllers. Each party will ensure that its End Controllers comply with the Controller Terms.
- 4.4 **Transparency.** Partner acknowledges Google has published information about how Google uses information from sites, apps or other properties that use its services at <https://policies.google.com/technologies/partner-sites>. Without prejudice to its obligations under Section 4.1(c), Partner may link to that page to provide Controller Data Subjects with information about Google's processing of Controller Personal Data.

If the Agreement is governed by the laws of:

- (a) a state of the United States of America, then, regardless of anything else in the Agreement, the total liability of either party towards the other party under or in connection with these Controller Terms will be limited to the maximum monetary or payment-based amount at which that party's liability is capped under the Agreement (and therefore, any exclusion of indemnification claims from the Agreement's limitation of liability will not apply to indemnification claims under the Agreement relating to the Applicable Data Protection Legislation); or
- (b) a jurisdiction that is not a state of the United States of America, then the liability of the parties under or in connection with these Controller Terms will be subject to the exclusions and limitations of liability in the Agreement.

6. Effect of Controller Terms

- 6.1 **Order of Precedence.** If there is any conflict or inconsistency between the Additional Terms, the remainder of these Controller Terms and/or the remainder of the Agreement then, subject to Sections 4.2 (Restrictions on Processing) and 6.2 (No Effect on Processor Terms), the following order of precedence will apply:
- (a) the Additional Terms (if applicable);
 - (b) the remainder of these Controller Terms; and
 - (c) the remainder of the Agreement.
- 6.2 **No Effect on Processor Terms.** These Controller Terms will not affect any separate terms between Google and Partner reflecting a controller-processor, processor-processor or processor-controller relationship for a service other than the Controller Services.

7. Changes to these Controller Terms

- 7.1 **Changes to URLs.** From time to time, Google may change any URL referenced in these Controller Terms and the content at any such URL, except that Google may only change the list of potential Controller Services at business.safety.google/services:
- (a) to reflect a change to the name of a service;
 - (b) to add a new service; or
 - (c) to remove a service (or a feature of a service) where either: (i) all contracts for the provision of that service are terminated; (ii) Google has Partner's consent; or (iii) the service, or a certain feature of the service, has been recategorised as a processor service.
- 7.2 **Changes to Controller Terms.** Google may change these Controller Terms if the change:
- (a) is as described in Section 7.1 (Changes to URLs);
 - (b) reflects a change in the name or form of a legal entity;
 - (c) is required to comply with applicable law, applicable regulation, a court order or guidance issued by a governmental regulator or agency, or reflects Google's adoption of a Data Transfer Solution (as defined in Appendix 1, Part A); or

- (d) does not otherwise: (i) seek to alter the categorisation of the parties as controllers of Controller Personal Data under Applicable Data Protection Legislation; (ii) expand the scope of, or remove any restrictions on, either party's rights to use or otherwise process (x) in the case of the Additional Terms, the data in scope of the Additional Terms or (y) in the case of the remainder of these Controller Terms, Controller Personal Data; or (iii) have a material adverse impact on Partner, as reasonably determined by Google.

7.3 **Notification of Changes.** If Google intends to change these Controller Terms under Section 7.2(c) and such change will have a material adverse impact on Partner, as reasonably determined by Google, then Google will use commercially reasonable efforts to inform Partner at least 30 days (or such shorter period as may be required to comply with applicable law, applicable regulation, a court order or guidance issued by a governmental regulator or agency) before the change will take effect. If Partner objects to any such change, Partner may terminate the Agreement by giving written notice to Google within 90 days of being informed by Google of the change.

Each party will ensure that its End Controllers comply with the Controller SCCs, where applicable.

4. Data Transfers

4.1 **Restricted European Transfers.** Either party may make Restricted European Transfers if it complies with the provisions on Restricted European Transfers in the European Data Protection Legislation.

4.2 Data Transfer Solution.

- (a) If Google has adopted a Data Transfer Solution for any Restricted European Transfers, then: (i) Google will ensure that such Restricted European Transfers are made in accordance with the applicable Data Transfer Solution; and (ii) paragraph 5 (Controller SCCs) of this Appendix 1, Part A will not apply to such Restricted European Transfers.
- (b) If Google has not adopted, or informs Partner that Google is no longer adopting, a Data Transfer Solution for any Restricted European Transfers, then paragraph 5 (Controller SCCs) of this Appendix 1, Part A will apply to such Restricted European Transfers.

4.3 Onward Transfer Provisions.

- (a) **Application of Paragraph 4.3.** Paragraphs 4.3(b) (Use of Data Provider Personal Data) and 4.3(c) (Protection of Data Provider Personal Data) of this Appendix 1, Part A will only apply to the extent that:

 - (ii) To the extent the Data Provider fails to obtain consent from the relevant Controller Data Subjects as required under the Agreement, the Data Recipient will not be in breach of paragraph 4.3(b)(i) of this Appendix 1, Part A if it uses Data Provider Personal Data consistent with the required consent.
- (c) **Protection of Data Provider Personal Data.**
 - (i) The Data Recipient will provide a level of protection for Data Provider Personal Data that is at least equivalent to that required under the Agreement and applicable Data Transfer Solution.

- (d) **Data Transfer Solution Adoption and Certification.**

Information about Google and/or its Affiliates' adoption of, or certification under, any Data Transfer Solutions can be found at <https://policies.google.com/privacy/frameworks>. Google's certification is available at <https://www.dataprivacyframework.gov>. The Data Privacy Framework will apply to any Restricted European Transfer to a certified Google entity in the US. This paragraph 4.3(d) (Data Transfer Solution Adoption and Certification) constitutes notice in writing of Google and or its Affiliates' current certifications as at the Terms Effective Date for the purpose of paragraph 4.3(a) (iii) of this Appendix 1, Part A .

5. Controller SCCs

- 5.1 **Transfers of European Controller Personal Data to Partner.** To the extent that:

- (a) Google transfers European Controller Personal Data to Partner; and
- (b) the transfer is a Restricted European Transfer, Partner as data importer will be deemed to have entered into the Controller SCCs with Google Ireland Limited (the applicable Google End Controller) as data exporter, unless otherwise specified in the Agreement and the transfers will be subject to the Controller SCCs.

5.2 Transfers of UK Controller Personal Data to Partner. To the extent that:

- (a) Google transfers UK Controller Personal Data to Partner; and
- (b) the transfer is a Restricted European Transfer,

Partner as data importer will be deemed to have entered into the Controller SCCs with Google LLC (the applicable Google End Controller) as data exporter and the transfers will be subject to the Controller SCCs.

5.3 Transfers of European Controller Personal Data to Google. The parties acknowledge that to the extent Partner transfers European Controller Personal Data to Google, the Controller SCCs are not required because the address of Google Ireland Limited (the applicable Google End Controller) is in an Adequate Country and such transfers are Permitted European Transfers. This does not affect Google's obligations under paragraph 4.1 (Restricted European Transfers) of this Appendix 1, Part A.

5.4 Transfers of UK Controller Personal Data to Google. To the extent that Partner transfers UK Controller Personal Data to Google, Partner as data exporter will be deemed to have entered into the Controller SCCs with Google LLC (the applicable Google End Controller) as data importer and the transfers will be subject to the Controller SCCs, because Google LLC's address is not in an Adequate Country.

- (b) Partner acknowledges that Google is required under the Controller SCCs to record certain information, including (i) the identity and contact details of the data importer (including any contact person with responsibility for data protection); and (ii) the technical and organisational measures implemented by the

data importer. Accordingly, Partner will, where requested and as applicable to Partner, provide such information to Google via such means as may be provided by Google, and will ensure that all information provided is kept accurate and up-to-date.

5.6 Responding to Data Subject Enquiries. The applicable data importer will be responsible for responding to enquiries from data subjects and the supervisory authority concerning the processing of applicable Controller Personal Data by the data importer.

5.7 Data Deletion on Termination. To the extent that:

- (a) Google LLC acts as data importer and Partner acts as data exporter under the Controller SCCs; and
- (b) Partner terminates the Agreement in accordance with Clause 16(c) of the Controller SCCs, then for the purposes of Clause 16(d) of the Controller SCCs, Partner directs Google to delete Controller Personal Data, and, unless European Laws require storage, Google will facilitate such deletion as soon as is reasonably practicable, to the extent such deletion is reasonably possible (taking into account that Google is an independent Controller of such data, as well as the nature and functionality of the Controller Services).

6. Liability if Controller SCCs Apply.

If Controller SCCs apply under paragraph 5 (Controller SCCs) of this Appendix 1, Part A, then the total combined liability of:

- (a) Google, Google LLC and Google Ireland Limited towards Partner; and
- (b) Partner towards Google, Google LLC and Google Ireland Limited,

under or in connection with the Agreement and the Controller SCCs combined will be subject to Section 5 (Liability). Clause 12 of the Controller SCCs will not affect the previous sentence.

7. Third-Party Beneficiaries

If a party's Affiliate is a party to the applicable Controller SCCs in accordance with paragraph 5 (Controller SCCs) of this Appendix 1, Part A, that Affiliate, , will be a third-party beneficiary of Section 4.3 (End Controllers) and paragraphs 3 (Google End Controllers), 5 (Controller SCCs) and 6 (Liability if Controller SCCs Apply) of this Appendix 1, Part A. To the extent this paragraph 7 (Third-Party Beneficiaries) conflicts or is inconsistent with any other clause in the Agreement, this paragraph 7 (Third-Party Beneficiaries) will apply.

8. Precedence

- 8.1 If there is any conflict or inconsistency between the Controller SCCs, this Appendix 1, Part A, the remainder of these Controller Terms and/or the remainder of the Agreement, then the Controller SCCs will prevail.
- 8.2 **Additional Commercial Clauses.** Subject to the amendments in these Controller Terms, the Agreement remains in full force and effect. Paragraphs 5.5 (Contacting Google) to 5.7 (Data Deletion on Termination), and paragraph 6 (Liability if Controller SCCs Apply) of this Appendix 1, Part A are additional commercial clauses relating to the Controller SCCs as permitted by Clause 2(a) (Effect and invariability of the Clauses) of the Controller SCCs.
- 8.3 **No Modification of Controller SCCs.** Nothing in the Agreement (including these Controller Terms) is intended to modify or contradict any Controller SCCs or prejudice the fundamental rights or freedoms of data subjects under the European Data Protection Legislation.

PART B - ADDITIONAL TERMS FOR U.S. STATE DATA PROTECTION LAWS

1. Introduction

Google and Partner have entered into the [Google Controller-Controller Data Protection Terms](#) (“**Controller Terms**”), which supplement the Agreement. This Appendix 1, Part B reflects the parties’ agreement on the processing of personal information and Deidentified Data (as defined below) pursuant to the Agreement in connection with the US State Data Protection Laws, and is effective solely to the extent each US State Data Protection Law applies.

4. Google’s CCPA Obligations.

- 4.1 If Partner sells or shares personal information to Google that is subject to the CCPA, Google will:
 - (a) Process the personal information only for the limited purposes specified in the Agreement, unless otherwise permitted by the CCPA;
 - (b) Permit Partner, upon reasonable request, to take reasonable and appropriate steps to ensure that Google uses the personal information in a manner consistent with a business’ obligations under the CCPA by requesting that Google attest to its compliance with this paragraph 4.1 of this Appendix 1, Part B. Following any such request, Google will promptly provide that attestation or notice about why it cannot provide it;
 - (c) Notify Partner if Google makes a determination that it can no longer meet its obligations under the CCPA. This paragraph 4.1(c) of this Appendix 1, Part B does not reduce either party’s rights and obligations elsewhere in the Agreement;
