

Staff & Crew

Compliance with laws, regulations, and guild and union requirements

- The Producer is responsible for ensuring compliance with all labor and other laws and regulations and guild or union requirements for all staff and crew.

Access to confidential information

- Staff and crew may have access to confidential information relating to the production, which may belong to Producer, YouTube, or Google. Confidential information may occur in the form of Google Forms, Google Docs, Google Sheets, paper, documents, registers, file photographs, data or information stored in hard copy or electronic form, or passwords.
- It is the Producer's responsibility to ensure that all staff & crew understand the nature of the confidential information and do not disclose or use confidential information which is not usually available to the public other than as part of official duties.
- Please review [Confidentiality Agreements](#) in the Talent & Participation Agreements section for detailed information regarding the confidentiality and publicity obligations of the crew and staff.
