Pilots

AIRABLE PILOTS

Airable pilots must adhere to the complete set of deliverables and master QC requirements outlined in the Google Delivery Schedule. Please contact your YTO Post Manager for more details on the delivery process.

NON-AIRING PILOT & PRESENTATION DELIVERY REQUIREMENTS

Attached to your deal is our Google Delivery Schedule. Please note the below adjustments for non-airing pilots or presentations.

The following audio / video deliverable elements may be excluded:

UHD Masters
- YouTube Master
- Textless Master

Master QC

Closed Captions and/or **English Subtitles**

Audio Elements
- Full mix printmasters
- M&E mix

The following audio / video deliverable elements are slightly modified for Non-Airing pilots only:

For complete technical specifications, please refer to the [Audiovisual Deliverables](#).

All files must be uploaded to Frame.io.

Post Paper deliverables required for non-airing pilot or presentation:

- Proposed final credits list, if applicable
- Post Production Notes
- Main Title Graphics, only if title is locked
- Music Cue Sheet, must deliver even if cues are not fully cleared

If the pilot is picked up, a full 4K / UHD delivery will be required, along with a full master QC by a Google approved QC vendor, closed captions and ABS transcript deliverables. Complete list of deliverables can be found in the [Audiovisual Deliverables](#) article. Additionally, if the pilot is picked up, all other legal, production documents, and marketing deliverables set forth in the delivery schedule are required. Please speak with your YTO Production Manager regarding these deliverables.
